3. DURING THE SEASON

- Give your answers concerning exchange placement as soon as possible and in **no more than 2 working days**

- All exchange correspondence must be sent to the partner organisation, **not to the volunteer directly.**
- Send your Free Places List (Friday List) every week to:
placement@alliance-network.eu
- Infosheet should be sent right after the confirmed placement and not later than 4 weeks before the camp starts.
- If a workcamp is cancelled, propose an alternative workcamp for the volunteers already placed on it (similar dates, type of work and work location)
- Within 2 days inform the outgoing officer in case of no-shows or emergency.

- If a volunteer informs you about cancellation of a place which has already been confirmed by the hosting organization (HO), cancel that place immediately with the HO - If by chance you have another volunteer of the same sex interested in this workcamp, you can ask the HO if they accept the replacement
